"CALTHOS"

Prof. Laborde's Marvelous French Cure for Lost Manhood.
FIVE DAYS' TRIAL TREATMENT

Sent Absolutely Free
By Sealed Mail,
TO ALL SUFFERERS.

NO C. O. D. OR PRESCRIPTION SCHEME.

The only preparation known to science which really cures Lost Manhood is "CALTHOS". It is contained in this country by The Von Mohl Company, of Cincinnati, Ohio, a concern which occupies a high and honorable place in the world of medicine. It is one of the largest and most successful houses in Cincinnati, as anyone who is acquainted in that city will testify.

The Von Mohl Company has been suffering from Lost Manhood, Nervousness, Weakness, Want of Energy, and all the other ailments which result from a weak and diseased system. After using "CALTHOS" for a few days the sufferer will find new vigor in his system, new force in his muscles, new blood in his veins, new ambition, and rapid progress toward the happy feelings and sensations of younger days.

This liberal free offer is genuine. There is no swindling C. O. D. or prescription scheme connected with it. The five days' treatment is sent by sealed mail to all on request, excepted in a plain package and full printed instructions accompany the medicine, so that each patient becomes his own doctor and cures himself at home.

It doesn't make any difference what caused the weakness—whether bad habits in youth, or excess, or overwork, or nervousness. "CALTHOS" will cure all. No matter what big name the disease may be called by doctors.

The Von Mohl Company treats all correspondence in perfect confidence. Under no conditions will it make public the names of the thousands who have written testimonies telling of their restoration to robust manhood, after other medicine and appliances have proved worthless. "CALTHOS" is regularly used in the German and French armies, and the soldiers in those countries have come to be perfect models of strength and vitality. Cures are effected at all ages from twenty to eighty years. There is no case in which the state of epilepsy or insanity has been reached which it will not radically, quickly and permanently cure. Sexual weakness does not cure itself. It grows worse from week to week. Each day aggravates the mental and physical anguish.

Send today for the free five days' trial treatment. If it helps you, more of the medicine can be purchased. If it does not help, no harm is done and no money has been paid. You can send your name in the full confidence that it will be kept from all. The "CALTHOS" department of our business is strictly confidential. Address applications for trial treatment, etc., to The Von Mohl Co., 280 B, 7th Avenue in the United States. Cincinnati, O.

Cambridge, Mass., Sept. 26.—The opening game of the season on Soldiers field was won by Harvard by a score of 17 to 0. The game was replete with brilliant play, the Harvard backs doing excellent work individually. Both the teams relied on the old style playing, using only simple line bucks and short end runs.

Williams made little gain through the Harvard line and was forced to punt on almost every trial. On the other hand the Crimson team gained at will through all parts of their opponent's line.
